

Treasure Village Family Theatre

Our Theatre comes to you with our Road Shows!

Treasure Village is pleased to present the production **“Pinocchio”** for our 2019 Road Show Season. We choose one of our main stage productions each summer to be a road show and able to travel to other communities. Treasure Village is known for its audience interaction and fun stories with a positive moral message. The production is always child appropriate and enjoyable for all ages. All of our productions come from fairy tales that we adapt and modify for a positive twist.

Our performances are one hour in length and include a brief intermission that we use to play games with the audience and talk about Treasure Village. At the end of each production, our cast greets the audience and is happy to take photos with individuals and families. Our productions are ideal for library summer reading programs, church events, community celebrations, and more!

In order to have a show come to you, we need an adequate space to perform! We prefer inside, air-conditioned spaces and need at least a 20’ x 20” space to perform. Stages are preferable, but we can easily adapt set and blocking to the available space. A lighting system is nice but not required. We will bring our own sound if needed; no mics are necessary.

Here is a description of our **“Pinocchio”**: A wooden puppet is sure he knows the right choices to make but temptation can be strong! Can the audience help Pinocchio choose to tell the truth so he can avoid the "growing" consequences? To book, email this form to: treasurevillagefun@gmail.com and we will contact you with a quote and contract. Please visit our website and facebook to learn more about us!
