3. Prepare For Auditions!

Prepare for auditions by reading character descriptions and script excerpts that will be used at the audition. This is not a cold read; you need to be familiar with these pages! We want you to read through script excerpts and develop character ideas.

2020 Character Descriptions** (These are descriptions of characters in both productions)

2020 Audition Scenes** (These are edited portions of the scripts)

**Descriptions and Scenes will be available in late January and shared with you.

4. Audition Day!

Please have your calendar ready, body stretched and voice warmed up, and wear nice clothing that you can easily move in. Verify you've already sent your application(s), two vocal recordings, and three letters of reference.

If you have any questions, please contact Managing Director Linnea Lambert at 712-330-7065 (call/text) or email us at treasurevillagefun@gmail.com. Reminder that you can also create your own Google Folder of info and share it with us.
